

Citizen Science Workshop Day

at University of Geneva

Purpose

On June 6th 2018, the University of Geneva is offering rooms to host workshops on citizen science topics. The University of Geneva is acting in its capacity as a partner of the COST Action CA15212 to promote creativity, scientific literacy, and innovation throughout Europe, as a member of the European Citizen Science Association (ECSA), and as Workpackage leader of the H2020-funded project DITOs (Doing-it-together Science),.

Workshops linked to the COST Action CA15212 have the opportunity to receive funding according to agreed criteria . These calls will be published on the COST Webpage.
